

Policy on Electives for RMDC Students

1. **Purpose:** To encourage medical students to carryout various clinical training in recommended teaching hospitals other than own hospital during 5 years training program of MBBS in order to gain clinical experience. This experience will help them to broaden their vision and improve upon themselves. It will also help them in acquiring post-graduation after qualification MBBS program.

2. **Scope:** All RMDC students but preferably from 3rd, 4th and 5th year MBBS

3. **Procedure:**

Following factors will be considered prior to assigning electives to the students: -

- a. Willingness of the student for particular elective.
- b. Availability of electives in the recommended hospital.
- c. Hospital where the elective is to be done should preferably be recognized with PM&DC.
- d. Consideration of merit will be prime factor in selection of student for elective.
- e. Nomination for a particular elective, willingness of hospital is required prior the approval.
- f. Choice of two electives at a time is not permitted.
- g. All logistics and transportation will be the responsibility of the student.
- h. Meeting the UHS requirements to be eligible to take professional examination will be the responsibility of student.

4. **Composition of Selection Board:**

President	Prof. Dr. Noreen Rahat, HoD Community Medicine
Members:	(1) Prof/Associate Professor Surgery & Allied (2) Associate Professor Medicine & Allied (3) Professor Gyneacology/Obstetrics (4) Professor of ENT

5. **Following teaching hospitals are recommended:**
