

Rahbar Medical & Dental College

No: RMDC/DME/ _____

Dated: _____ September 2024

Policy on Electives for RMDC Students

1. Purpose:

To encourage medical students to carryout clinical training in various disciplines of their choice in recommended teaching hospitals in and outside Pakistan during their 5 years training program of MBBS in order to gain clinical experience. This clinical experience will help them to broaden their vision and improve upon themselves in the field of various disciplines of Medicine and Surgery. It will also help them in acquiring post-graduation after qualification of MBBS program.

2. Scope:

All RMDC students.

3. Procedure:

Following factors will be considered prior to assigning electives to the students:-

- a. Application will be rendered by the student for particular elective training.
- b. Availability of electives training slots in the recommended hospital.
- c. Hospital where the elective training is to be done shall be recognized with PM&DC or regulatory body of its country in case of abroad.
- d. Consideration of merit will be prime factor in selection of student for elective training.
- e. For nomination of a particular elective, willingness of hospital in writing is required prior to requesting the approval by the selection board.
- f. Choice of two electives training at a time is not permitted.
- g. All logistics and transportation will be the responsibility of the student concerned.
- h. Meeting the UHS requirements to be eligible to take professional examination will be the responsibility of student concerned.
- i. Elective trainings will be considered for approval during summer vacation only.

Rahbar Medical & Dental College
